

'Tis the Season to...

TREECYCLE!

IS PROUD TO SUPPORT...

**THE TOWN OF NORTH HEMPSTEAD'S
CURBSIDE CHRISTMAS TREE RECYCLING**

The Manhasset SCA's Planet Manhasset encourages your participation in the *Town of North Hempstead's Curbside Christmas Tree Recycling Program.*

Your undecorated, tinsel-free, real Christmas tree will be picked up curbside for recycling during regularly scheduled yard waste pickup days during the first two weeks of January 2011. The Town will recycle the trees and turn them into mulch and compost.

Meadow Carting, which serves the unincorporated Town of North Hempstead and the incorporated areas of Munsey Park, Flower Hill, Plandome and Plandome Manor, will be picking up the trees and bringing them to the Town for recycling.

- If your normal garbage pickup days are Tuesday, Thursday and Saturday, your yard waste day is TUESDAY.
- If your normal garbage pickup days are Monday, Wednesday and Friday, your yard waste day is WEDNESDAY.
