Carlo Prinzo-School Board President

- Informed those in attendance of the numerous meetings this summer regarding the guidelines and the hiring of 4 new teachers
- Spoke about the importance of the May 2013 budget vote.
We have a 2% tax cap that is in place for 4 years. We need a 60% super majority vote to pass budget in May
- Introduced Regina Rule-School Board Vice President who was also in attendance

Charles Cardillo-Superintendent

- Thank the leadership at school and Nancy Schlaefer for all their efforts this summer and throughout the year
- In response to a question Mr. Cardillo gave a detailed explanation about an article printed in Newsday over Labor Day weekend labeling Manhasset a focus district.

Robert Geczik-Principal

- Gave update on maintenance and construction projects that took place over summer: complete renovation of student bathrooms in 3rd grade wing, ceiling replaced in second floor corridor, carpeting removed and new tile flooring in 4 classrooms and the computer lab

Manhasset
School Community
Association

- Generator project approval from state came late. Project began in last weeks of summer. Goal for completion is winter.
- Explained new teacher evaluation system. Mini observations – more frequent but shorter time in classroom approximately 10-15 minutes. Mr. Geczik has 30 teachers and Mrs. Williams has 25 teachers to observe with 10 required visits per school year.
- Mr. Geczik closed the meeting letting everyone know the best way to contact himself or Mrs. Williams is by email.
