

FALL 2007

A Letter from
JENNIFER VILLANO,
SHELTER ROCK SCA PRESIDENT

It is with great enthusiasm that I welcome you all to the 2007-2008 school year at Shelter Rock. I am honored to serve you as your new Shelter Rock SCA President. I am dedicated to each of you and your children and promise to serve and support you to the best of my abilities. I am looking forward to a great year filled with fun activities and enriching experiences for all of our children.

With great pleasure, I introduce to you our SCA Vice President, Lauren Baranello. Lauren and I have been hard at work, since the spring of last year, reviewing and honoring all of our parents' volunteer requests. It has been our goal to ensure that everyone who volunteered for the SCA is involved in some capacity.

I would like to extend a warm welcome to all of our new parents and students. I am confident that your experience at Shelter Rock will be positive and memorable for your entire family.

We kicked-off the school year with our New Parent Welcome. I had the pleasure of meeting and speaking with most of our new parents at Shelter Rock. I'd like to thank them all for this opportunity as well as their eagerness to participate in the SCA and the Shelter Rock community.

I'd also like to extend a special thank you to our endearing sixth grade students who delivered presentations featuring their favorite subject at Shelter Rock. They were poised, well-spoken and articulate. They are a true testament to the quality of education they have received here at Shelter Rock. We are so proud of the great job they did.

September 10th, kicked off Heroes Week at Shelter Rock. Thank you to Elena Schietinger and all of her efforts to make this special time meaningful for the children. I also want to thank our Publicity Co-Chair, Dawn McCormick for her presence and participation in the event. Dawn photographed the children's excitement when greeted by their local heroes.

Reflecting on the personal meaning of the week, our Fifth and Sixth Grade students wrote about their own heroes on individual links of paper. The links were then interlocked and strung on the walls as part of the annual Chain of Heroes. Thanks to our talented Bulletin Board Co-chair, Kim Delaney, a wonderful banner hung in the center of the Hallway of Heroes. This

was done in perfect time for the parents to appreciate at Open House.

Both Open Houses could not have been possible without the very hard work and support of our Grade Level Chairs; Elsie Cruz (K), Elene Farrell (1), Randi Cecchini (2), Carol Conner (3), Christine Meyer (4), Mary Kay Connors (5), Diane Gershkowitz (6) and Vickie Gribbins (SC). A special thank to our Parent Representatives who worked tirelessly to ensure that everything ran smoothly in the classrooms. They continue to work hard, creating the class lists and organizing the parent volunteers for the class trips and the class parties.

Working with both the Grade Level Chairs and the Parent Representatives is Monica Vatsia and Carolyn Oh, Shelter Rock Directory Chairs. Thank you both for being so helpful, informative, supportive and available to everyone through this process. I know you are going to produce a wonderful directory for all of our Shelter Rock families.

I am greatly appreciative to our Shelter Rock Information Packet Co-Chairs, Renee Press and Dana Klainberg, for their unyielding work in the production of the updated Information Packets that were distributed to all of the parents at Open House. This is such a valuable source of information for all of our parents at Shelter Rock. Thank you both very much.

In preparation for Open House, our Bulletin Board Committee, Kim Delaney and Mary Jane Reilly, redesigned the front showcases and decorated the SCA bulletin boards for all of our parents to enjoy. Great work, ladies!

You certainly couldn't miss our enthusiastic Spirit Fund-raising Committee; Kimberley Kuester, Lisa Pardo, Laurie Herbert and Minsum Kim in the main hallway at Open House. With smiles and vigor, they worked tirelessly, both nights, to raise money for our

SHARED DECISION MAKING UPDATE

By Lynne Aloia, SDM Liaison

Thanks to all the members who served on the various building Shared Decision Making teams in the past and a warm welcome to the new members for the 2007-2008 school year. I am happy to say we had a wonderful kick-off and training session on September 28th. This was also the first official SDM meeting for all of the teams. Training presentations were made by Joan Viscardi, Superintendent Charlie Cardillo, MEA representatives Ed Vasta and Linda Stamper, MESPA representatives Judi Reilly and Marie Zaso, MASA representatives Robert Geczik and Jean Kendall, and myself.

Shelter Rock team members are:

**Lisa Currie • Anne Dorogoff •

Keep in touch with what is going on in your District, attend the Parent Council meetings for updates on SDM. Minutes will also be posted on the District and SCA websites. If you have any questions, concerns or ideas for the teams, please feel free to contact any of the members. Their names and telephone numbers are listed on the "December" page in our school calendar. Teams will be meeting monthly and appreciate your input.

HAVE OLD CELLPHONES? DONATE THEM!

The Call to Protect program is reaching out and looking for help from Manhasset. This nationally recognized program seeks to collect phones which will help women who experience domestic violence.

With the used cell phones donated, more and more women will have the opportunity to call for help when they are in need. Most used phones are refurbished and then become lifelines to those who are faced with an emergency situation. Every year, an increasing number of women are hurt and killed by domestic violence and with the help of our community, this number can decrease.

Please donate a cell phone that is in working condition with a charger, if possible. One phone can save a life so please ask friends and neighbors as well. Phones that are functional but no longer needed can save the life of another.

National statistics show that nearly one-third of American women report being physically or sexually abused by a husband or boyfriend at some point in their lives. The donation box is located at the Nancy Morris State Farm Insurance office, 22 Bayview Avenue, until November 30, 2007. If you have any further questions, please contact Victoria Belinsky at 516 365-4236.

PLANET MANHASSET

We all want to do our part in helping our environment and the health of our families but exactly what should/could we be doing?

Working jointly with Munsey Park School, this committee will research and implement ways to "green" our schools and our homes, resulting in lessening our collective impact on the environment as we make it healthier for our families and future generations.

If you would like to get involved, please contact Terry MacGown, Shelter Rock Co-Chair, at 869-0644 or tmac3@optonline.net.

6TH GRADE CORNER

SIXTH GRADE ACTIVITIES IS OFF TO AN EXCITING START!

The committee has planned several parties for the graduates! Our kickoff celebration will be an ice-cream party to be held in the middle of October. Students will be making their own sundaes with lots of great toppings! The celebration will be captured by our photographer for yearbook submission! In November, we will celebrate a wonderful Thanksgiving Brunch followed by a Holiday Celebration in December. In December, the sixth grade students will be visiting a senior residence. They will be bringing candy filled decorated boxes made by the students and singing some holiday tunes.

We are so excited and hope to make this their most memorable year at Shelter Rock.

Sincerely,

Barbara Borgognone, Jodi Fera & Diana Stefan

SATURDAY SERIES

This fall session began on September 29th will a full house. This SCA enrichment program runs for 8 weeks on Saturday mornings at the Shelter Rock School and is offered to all Kindergarten-6th grade Manhasset school district residents.

It offers a wide range of classes like cooking, fencing, arts and crafts, drawing, taekwondo, golf, cake decorating, science, model building, sports, sewing, cartooning, chess, woodcraft, singing, acting and the ever popular musical theater.

This semester we're excited to have reinstated an **Introductory to Spanish** class to our curriculum. It is a fun interactive class. The earlier children are taught a new language, the easier it will be for them to learn and understand it. It also gives the older kids a head start for middle school.

On November 17th, the musical theater class will present their production of **Mary Poppins**. The show is free of charge and is performed in the Shelter Rock Auditorium.

This program is parent-run so your assistance helps to make it a success! Please e-mail us at satseries@aol.com or see us at the registration desk if you'd like to volunteer.

BOX TOPS FOR EDUCATION PROGRAM

Shelter Rock participates in the **Box Tops Program**. Box Tops can be found on General Mills, Pillsbury, Betty Crocker and many other products. A letter explaining the program and a complete listing of products has been sent home.

Please clip and send in all Box Tops you collect. The grade that collects the most will receive an ice pop party at the end of the year. To date, Shelter Rock has earned over \$1,400! Let's keep up the good work.

MRS. SEALOVE'S 4TH GRADE CLASS enjoyed a fun-filled day at Jones Beach on Wednesday, September 12th. The class visited the beach as part of their Science curriculum observing plants, shells and the weather and recorded the temperature of the air and water. The following week, the students visited Garvies Point and recorded the same information as they had done at Jones Beach in order to do a comparison of the two sites. All in all, the children had a great day!

SCA-sponsored children's programs and events that take place throughout the year. Thank you for all of your hard work and cheerful dispositions!!

Thanks to our Membership Co-Chairs, Marybeth Accurso and Dana Klainberg, the SCA Membership Drive at Shelter Rock was quite a success. The donations made to the SCA goes to all of the wonderful, fun, enriching and educational programs that benefit all of our children. On behalf of the SCA and all of our children, thank you!

If you attended the second Open House, you were greeted by spooky aliens and candy corn! Our creative and talented Halloween Party Co-Chairs, Linda Kane and Ann Marie Moschitta, certainly set the stage for what is in store for our Fifth and Sixth Grade students on the night of Halloween!! I don't know who is more excited the parents or the kids!!

At our September Parent Council meeting, Mr. Geczik spoke about some beginning-of-the-year information with his usual pizzazz. Mrs. Williams followed with a warm introduction of the new staff. Also in attendance was Mr. Cardillo who addressed some district-related issues and kindly availed himself to parents for further discussion. Our Parent Council was introduced and the Committee Chairs shared information about their committees. Thank you to everyone who was able to attend and participate in the meeting. I look forward to seeing you all at future meetings.

At all of these events and other school-related meetings, Claire Sheehan worked behind the scenes to prepare a montage of goodies for the parents to enjoy. Thank you so much, Claire!

I am grateful to our incredible Newsletter Co-Chairs, Jackie Pracher and Sabrina Horn for creating this stellar Newsletter. This edition could not have been possible without their hard work and talent.

On behalf of the SCA, I want to thank Fran Shackel for her help and support with all our committee events.

I look forward to working with each of you in conjunction with our administration and staff to ensure that our children have a fabulous year.

Sincerely yours,
Jennifer Villano
